With Thanks

On behalf of mum and my family we are deeply grateful for all the prayers and support received over the time span of my dad's failing health. After 40 days in hospital Joe Predebon crossed the finishing line of his life passing away on Trinity Sunday. He lived his life with endurance and strength till the very end. In the final days his greatest gift to us was a remarkable peace and did not seem to be in pain. Now at peace in the arms of his Heavenly Father. Greg and I have personally been deeply touched by the value of community around us during this time. *Margherita Shakhovskoy.*

Greetings from Blind Eye

Dear brothers and sisters,

We are currently in need of some food supplies at the Centre, i.e. cereal, long-life milk, sugar and canned soup. We could do with men's belts and male jumpers/fleeces etc. for winter.

Thanks for your generosity to date. You are making a difference!

God bless, *Eddie, Roby and the Blind Eye Team.*

Catechesis of the Good Shepherd **THE GIFT**

For those of you who do not yet know about our CGS gathering called THE GIFT coming up in June please see the brochure attached. There is also a keynote dinner on the Friday night at which Rebekah will be speaking on "The Catechesis of the Good Shepherd as a Gift to the Church at this time". This will also be at the Mercy Centre at Bardon at 6.30. Numbers are limited for this dinner and it is almost booked out but if anyone would like to join us please let us know asap. Cost for dinner is \$60.

Call Anne Delsorte 33796267 to book or for more details or send in brochure to register for the weekend.

Assistance Needed for **THE GIFT**

Catechesis of the Good Shepherd Australia, which began with our community hosting Linda Kaiel from Portland, Oregon to come to give formation back in 1995 is hosting a conference/retreat/gathering of catechists from all over this region of the world here in Brisbane at the Mercy Centre, Bardon on June 23-25. We have close to 100 delegates and many of these will be flying in from interstate and overseas.

We are seeking your help in two ways.

1. PICK UPS FROM THE AIRPORT AND BACK TO THE AIRPORT.

Most will be coming in on the Friday morning and returning home on the Sunday night. About 20 will be staying on for a formation leaders three day seminar. Greg has offered the use of a van so if anyone is free to drive that this would be brilliant for large groups. There will also be others coming in and leaving at random times over the two days preceding and afterwards. We are just collating a timetable of these times. If anyone is available to drive the van for us or do smaller pickups in your own car could you please let us know your availability.

2. ACCOMMODATION FOR OVERFLOW OF GUESTS Currently we have booked out the Mercy Centre at Bardon and need to host a small number of guests for this weekend. Over the weekend we would be very happy to offer the residential fee of \$100 per person for the weekend which we hope might include bed and breakfast as well as transport to and from the centre each day, from Friday evening to Sunday evening.

The second set of accommodation is for some of the formation leaders who will be staying on from Sunday night to Wednesday night. Again all that is needed is bed and breakfast and possibly a drop off to Graceville atrium. Sadly we cannot fund this one but I can assure that the rewards for this service will be heavenly.

If you can help with any of this could you please contact Anne Delsorte 33796267 or the Graceville atrium 33798635. With many, many thanks, Anne Delsorte.
